

Subject Knowledge Enhancement PLUS

Modern Foreign Languages

Have you just completed a Secondary MFL ITT programme and would like to consolidate your practice? Then join us for face to face practice from expert practitioners.

Northern Lights in conjunction with Tes Institute, the largest SKE provider in the country, is offering a one week face to face module as part of their SKE MFL programme; Develop your subject knowledge in French, Spanish or German with this DFE funded subject knowledge enhancement training in secondary MFL.

- Opportunity to develop spoken language skills
- Opportunity to develop classroom protocols in your target language
- Opportunity to develop a second language to improve employability
- Bespoke differentiated approach to meet teacher needs

Teaching School Alliance

Modern Foreign Languages

The Subject Knowledge Enhancement (SKE) programme is an exciting development between Northern Lights and Tes Institute to allow French, Spanish and German SKE participants the opportunity to:

- Develop target language proficiency in the classroom
- Develop your second language to increase employability
- Expose you to up-to-date research around teaching MFL
- Rehearse opportunities for practical work

To Register

Participants will need to register for the practical SKE week with Northern Lights through the online form: northernlightstsa.org/contact-us

What People Say...

"I have loved meeting the native speaker and testing my spoken skills"

"I have loved every minute"

"Lots of useful explanation"

"My confidence has vastly improved"

"I have gained so much more confidence in speaking"

"A truly fantastic course and I'm so glad it was offered"
