

# **Paid Teaching Internships in North & West Yorkshire**

## **Chemistry, Computing, Languages, Maths and Physics**

**10th June - 28th June 2024**

- Interested in a career in teaching Chemistry, Computing, Languages, Maths or Physics?
- Do you have up to three weeks available in June/July?
- Experience teaching in Leeds, Bradford or North Yorkshire schools
- Gives you the opportunity to decide if teaching is for you

**Receive £300-400 per week to experience being a teacher.**

**15 places available**

**Express your interest here:**  
<https://bit.ly/internships2024>

## How does it benefit me?

- You will find out if teaching is right for you by being immersed in school life.
- You will gain employability skills relevant for any career/sector.
- You will gain a unique insight into teacher training and the application process.
- You will meet current trainee teachers to find out more about teacher training.

## What do I need to qualify for the internship?

### Essential:

- Applicants will be current university students.
- You must have an 'A' level at B or above in Chemistry, Computing, Mathematics, Physics or Languages.

### Desirable:

- Your degree subject should be related to Computing, Mathematics, Physics or Languages.

## How do I apply?

Please email [smithh@sghs.org.uk](mailto:smithh@sghs.org.uk) for an application form. **Closing date for applications is 3rd May 2024.**

## What happens next?

Upon successful completion of the internship, we guarantee you an interview for our teacher training course and support with an early entry application.
